

Material List for 3d-Multi Part Resist

Section 1

1. Floor underlay or (other flexible waterproof material) for your resist
2. Wide Waterproof tape (I like red tuck tape)
3. 8-inch (20 cm) circle (a plate works or you can use a compass)
4. Piece of paper to draw your pattern
5. Scissors
6. Pen or marker
7. Thin plastic, painters' drop cloth plastic works great
8. Wool (60 grams) (3 oz)
9. Rubbing tool (anything with some texture)
10. Two small towels, hand towels work great
11. Ties (10-inch pieces or yarn will work fine)
12. Fulling mat (ribbed mat or washboard or other textured surface) this is an optional but useful item
13. Water and soap
14. A spraying tool for wetting your wool
15. Needle nose pliers
16. Shaping tool (a wooden spoon works great)
17. Balloon (optional)
